### The Engagementmoon Is Officially a Thing: How to Plan a Perfect Pre-Wedding Getaway

*The “engagementmoon” is officially a thing—and we love it.*

Try to sneak away for a few days because life is about to get real, real intense with all the planning you’ll have to do. No matter where you live in the U.S.—and whether you have a weekend or a little more time. Here are eight fun, super **relaxing** engagementmoon ideas.

#### If You Live on the West Coast

Head to Laguna for a weekend. Laguna Beach is such an idyllic beach town, it’s hard to believe it’s just an hour south of L.A. Check in to the new, cheerfully hip **Hotel Joaquin** and soak up the laid-back vibes by the pool, get an Ayurvedic massage at the wellness center, then walk the two minutes to the beach to catch the sunset.
