Korakia Pensione, Palm Springs

Save yourself the pricey flight, and find a slice of Morocco at this dreamy adobe-style pensione in Palm Springs. The [intimate hideaway](#) is known as the sexiest hotel in America, thanks to its seductive desert setting and Tangier-inspired architecture. Massages, bicycle rentals, yoga classes, and afternoon mint tea are just a few hotel perks, and we love the breakfast spread (free!) served every morning on the stone-paved courtyard. By night, snuggle up on a Moroccan daybed for an outdoor screening of a classic Hollywood film, then take a midnight splash in the heated pool (bathing suits required!)
